## General Information for All Murals

Prices displayed on this guide are listed Per Panel. For Tea Paper or Metal Leaf grounds, Add the "Per Panel" additional cost to the Per Panel price.

There is no additional charge for custom coloring plain paper grounds.

Tailoring or custom design is at additional cost. Please inquire. Sample is required for ALL custom work. (Shipping and handling fees apply for multiple samples. Please inquire.)

All designs may be customized to meet specific requirements. Please inquire. Fees apply.

All panels are 36" wide after trim by installer, unless otherwise noted. Lead time is approximately 8 - 10 weeks for orders up to 12 panels. Larger orders may require extra lead time. Rush orders are accepted at additional cost. A 50% deposit is required to initiate all orders. The remaining balance is due prior to delivery.

Hand painting by individual professional artists inherently produces unique nuances between panels. These may result in subtle color variances and mismatched elements such as branches and leaves. Some touch-up by installer is to be expected and it is the responsibility of the designer and customer to be aware of this issue prior to ordering.

Returns are not accepted for any portion of an order unless authorized by Paul Montgomery Studio. No custom color, design or size orders or samples are accepted for return unless authorized by Paul Montgomery Studio.

Please call Paul Montgomery Studio (1-540-337-6600) with any questions regarding the ordering process.

Note: All orders should be installed as soon as they are received. Store in a cool, dry location. Humidity and other conditions may affect the wallpapers. No claims for returns or refunds will be accepted after 30 days of receipt of wallpapers as storage conditions are beyond our control.

Thank you and kind regards,
